## Chief's Message

As we reflect on this past year, we have many reasons to be thankful for the opportunity to be guardians of the Bee Cave Community. Although 2016 was a challenging and difficult year for many police departments across America, we continued to enjoy community support and involvement and look forward to strengthening that support in years ahead.

President Obama created the Presidents Task Force on 21<sup>st</sup> Century Policing in 2015, and in their final report the Task Force recommended police departments implement “procedural justice,” specifically by adopting these principles:

1. Treating people with dignity and respect;
2. Giving individuals “voice” during encounters with police;
3. Being neutral and transparent in decision making;
4. Conveying trustworthy motives.

As a department we fully support these principles and believe the community support we receive in return helps make us successful and this community stronger.

The following pages contain statistics and highlights of events which occurred in 2016. Bee Cave continues to grow and the Bee Cave Police Department also grew last year. We added two officers whose primary duties are bike patrol in the larger retail areas of the city. These are higher call volume locations and having officers assigned to those areas allows other officers on patrol additional preventive and targeted patrol time.

Hiring officers who are a good fit for Bee Cave is a priority, and we are proud of the new officers added this year and those who have “Protected the Hive” for many years.

We welcome citizen involvement and input and encourage you to visit our Facebook page, web page, give us a call or sign up for our next Citizens Police Academy. Together we will continue to make Bee Cave the best it can be.

Chief Gary Miller

Chief Gary Miller

Lt. William Pitmon  
Criminal Investigation

Lt. Vicente Montez  
Patrol Operations

**Senior Officer John Paul Meiners  
Warrant Officer/ Evidence Custodian
