Special "BEE-TWEENS" during Spring Break

If you haven't been to Bee-Tweens yet, it's not too late! All 4th-6th graders are invited to join us at the library on the second Saturday of the month from 2:00-3:00 P.M. So far this year we've learned how to do CPR, tested our detective skills, made and played with slime, had a holiday party, explored technology by making light-up bookmarks and a banana piano, and had an entire program dedicated to chocolate.

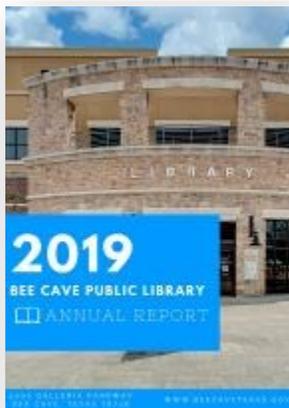

In March, Bee-Tweens will meet on Thursday, March 19 instead of Saturday, and **3rd graders are invited to join us for this special event.** You don't want to miss **Iron Chef Bee Cave!** Using ingredients provided by the library, teams will work to create an appetizer, a main dish, and a dessert. And, of course, there will be a secret ingredient....

Bee-Tweens won't meet in April due to the holiday weekend, but in May we'll break out the Legos for some exciting Lego challenges on Saturday, May 9.

Our monthly Bee-Tweens is only for 4th-6th graders, but in the summer all tween programs are designed for 3rd-6th graders--and we have some great activities planned for this summer!

Check the [library calendar](#) for dates and times and what we'll be doing. If you have questions or would like more information, email Terry Lewis at tlewis@beecavetexas.gov.
